PRINCIPALS’ MESSAGE
Welcome to the 2020-21 School Year

This booklet provides information that is divided into two areas of interest to students and parents. The first section contains general school information regarding attendance, student progress, resources, supportive services, school events and activities. School climate expectations, rule violations and consequences are also included for your reference. Although the behavior of District #204 students is generally outstanding, instances do arise in which the disciplinary consequences need to be implemented. Awareness of the violations and consequences does provide a proactive environment for learning. Please read these violations and consequences. It is the student’s and parent’s responsibility to be knowledgeable regarding the content of this handbook.

The second section of the booklet provides students with a valuable study guide and assignment notebook. We believe that this organizational tool is one of the keys to school success, and we teach students to use it consistently. Parents are encouraged to review this information daily to support good study habits and assignment completion. Through cooperation of school staff, parents and students, District #204 will continue to provide a challenging environment for learning excellence. Best wishes for a successful and productive school year.

Sincerely,

Kimmer Cornish, Melissa Couch, Allan Davenport, Michael Dutdut, Scott Loughrie, Leslie Mitchell, & Jennifer Nonnemacher

SECTION 1: ATTENDANCE (BP 7:70)

ATTENDANCE
Regular daily attendance is important to student success. Ensuring that a student maintains regular attendance requires cooperative effort by the student, parent(s), and school personnel. The student who is frequently absent misses class instruction, social interaction, and discussions, even though work is made up.

Consistent with Article 26 of the Illinois School Code, District 204 expects parents or guardians to make reasonable efforts to ensure the regular attendance of their children, and to inform the school of any absences and their causes. The school will monitor each student’s attendance and inform parents or guardians of any attendance problems. A parent should call the school prior to 8:30 a.m. on each day his/her child will be absent (see school’s number below). In the case of a known extended absence of one week or more, only one call is necessary. If we are not contacted by 8:30 a.m., a parent will be called. If the sickness is interpreted to be contagious, readmission to school should be accompanied by a Back-to-School form signed by a physician. Pursuant to Illinois School Code, a school must notify the parents if the student has missed 5% of the previous 180 attendance days of school. In addition, students who are excluded from school for non-compliance with the vaccination requirement can be considered as truant if the vaccination requirement is not met within five attendance days of the exclusion date.

The following number should be called before 8:30 a.m. to report absences:

Crone- (630)428-7460
Fischer- (630)375-3110
Granger- (630)375-3412
Gregory- (630)428-6316
Hill- (630)428-6200
Scullen- (630)428-7002
Still- (630)375-3902

DEFINITION OF ATTENDANCE TERMS
Parents are responsible for the daily attendance of their children. However, Illinois School Code does not grant parents the authority to excuse their children from attending classes without valid cause.

1. **Pre-Arranged Absence** – When parents know in advance that their student will be absent, they must call the main office at least two days in advance. For our records, we require that the student bring in a written notice of the absence.
2. **Excused Absence** – Excused absences include illness, medical visits, and religious holidays
3. **Unexcused Absences** – unexcused absences include, but are not limited to, oversleeping, missing the bus, car trouble, shopping, traffic, alarm clock problems, etc. After 48 hours, an unresolved absence becomes classified as truant.
4. **Unverified** – These are absences not sanctioned by the school or by parents.
5. **Administrative Withdrawal** – If a student fails to attend school for 15 consecutive days without valid cause, the student will be deemed to have voluntarily withdrawn on the 16th day. The student will be removed from the District’s enrollment roster.
6. **Late Arrival/Early Dismissal** – Students who arrive late or leave early must be signed in/out by a parent/guardian.
7. **Absence Due to Illness** – A student who has been absent 5 or more consecutive days due to illness must present a physician’s statement, or visit the school nurse to be readmitted to classes.
8. **Tardiness** – Consistent and regular attendance in all classes is an important component of academic achievement. Tardies to class interrupt this process, may negatively affect performance, and will receive prompt response. Any student arriving at school after 8:00 A.M. is to report directly to the receptionist to receive a pass. No student will be admitted to class without a signed pass. Unexcused tardies will be addressed on an individual basis by building administration.
9. **Excessive absences** – Excessive excused absences interfere with student achievement. A student will be allowed nine (9) excused absences per school year without a doctor’s note. After 9 days, all absences without a doctor's excuse may be considered unexcused. A doctor’s notes must state the reason the student was unable to attend school and give exact times the student was seen in the doctor’s office. If a student has nine (9) days of unexcused absence, he or she is considered to be chronically truant by state law and a referral to DuPage County truancy may be made. Individual intervention plans will be developed for students found to be excessively absent from school. These plans will be designed to remediate the attendance patterns in order to assist the student in meeting local and state attendance expectations.
DOCTOR AND DENTAL APPOINTMENTS (BP 7:100)
Indian Prairie School District discourages absences for doctor and dental appointments during the school day and encourages parents to make such appointments after school and/or on weekends. The school Administrators will gladly provide a letter for your doctor confirming our policy. Any absences due to doctor or dental appointments must be confirmed by a note from the doctor or dentist. These absences will be used in reported total student absences.

PROCEDURES FOR STUDENT SIGN-IN/SIGN-OUT
A parent is requested to write a note if his/her child needs to leave early or arrive late. The note should state times, date, and reason. The student should bring the note to the main office upon arrival at school and will be issued the appropriate pass. When a student arrives late or leaves the building prior to dismissal, his/her parent must sign them in/out at the main office/reception area.

MAKE-UP WORK (BP 7:70)
When a student is absent from school for excused absences or suspension, they are allowed to make up the work that has been missed. The number of days they are out will determine the number of days they have to complete the work upon their return. For example, if a student has an excused absence for 2 days, they will have 2 days upon their return to complete the work. This is the student's responsibility. Parents and students are encouraged to contact teachers if make-up work is wanted or needed.

If a student has an extended absence of more than 3 days due to illness, they or their parents may call the Guidance Secretary to request assignments from teachers. Please allow the school 48 hours to collect these assignments. If a student is suspended, all make-up work must be turned in within 48 hours of the student's return to school.

P.E. EXCUSES (BP 7:260)
If a student needs to be excused from P.E., the excused absence needs to come from the nurse’s office. In conjunction with the parents, the nurse may excuse the student for no more than three days. If the student will be out for more than three days, a “physician” order with the diagnoses, length of absence including dates and specific restrictions must be given to the school. This information may be faxed to the nurse with parent permission. The nurse may need to clarify physician orders.

VACATIONS
The school discourages parents from taking students on vacations during the school year. When absence occurs due to vacation, it is not always possible for students to receive all assignments in advance. Prior to vacation, students may collect any homework assignments that are planned to be given during their absence. However, please be aware that students may receive additional homework upon their return. Due dates for this new work will be assigned accordingly.

SECTION 2: GENERAL SCHOOL INFORMATION

ACADEMIC AWARDS (BP 6:330)
Students have an opportunity to work towards the following types of academic recognition during their middle school experience:

- Regular honor roll by maintaining a 3.25 grade point average.
- High honor roll by maintaining a 3.60 grade point average.

ACADEMIC HONESTY POLICY (BP 7:190)

- **Belief Statement** - We believe that learning best occurs in an atmosphere of academic honesty in which students have developed a high sense of responsibility and exhibit a high standard of integrity. This is accomplished through the cooperative efforts of students, parents/guardians, and teachers. Although there is a priority to excel placed on students by the society in which we live, we will not tolerate nor condone academic dishonesty.
- **Students** - It is expected that students will conduct themselves according to the school rules prohibiting cheating and will perform in a manner that reflects their knowledge and acceptance of these rules.
- **Parents/Guardians** - As partners in the educational process, parents/guardians must support the ethical value of honesty and the enforcement of the school's policies on cheating so that an honest school environment is maintained.
- **Staff** - Staff is expected to perform their instructional responsibilities in such a manner as to minimize the potential for dishonesty and by being fair and consistent in the implementation of consequences for cheating.
Definition of Cheating/Academic Dishonesty

Cheating occurs when a student obtains, or assists others in obtaining, credit for work that is not his/her own whether it is accessed verbally, in writing, graphically, or electronically. **Examples of cheating/academic dishonesty include, but are not limited to the following:**

1. Copying from another student's test, helping another student during a test, or providing other students with information regarding a test
2. Submitting another person's work as one's own
3. Stealing copies of tests or answer keys
4. Copying, or allowing another student to copy, a homework assignment, test, quiz, project, book report, or take-home test
5. Plagiarizing or presenting material taken from another source, including the Internet or computer files, and translation programs without appropriate documentation (Plagiarism is defined as 9 or more consecutive words taken from another source without documentation.)
6. Changing answers on a test, assignment, project, etc. after grading
7. Changing grades in a grade book or altering a computer grading program**
8. Using an electronic device in a manner not specified by the teacher (e.g., storing answers or equations)
9. Misrepresenting records for hands-on activities such as physical fitness testing
10. Using, sharing, swapping or distributing unapproved written materials in hard form or via online resources

**Possible disciplinary and/or legal action may follow.**

“Cooperative learning” is a recognized instructional practice. When this practice is acceptable to the teacher for a project or assignment, the teacher must clearly explain this expectation to the students. If not clearly delineated as approved, the copying of homework, papers, tests, quizzes, reports, etc. will be considered episodes of cheating.

Cheating on Homework or Quizzes, Assignments, Tests and Projects

1st Offense 0% on class assignment, test, projects and parent/guardian contact by teacher or administration regarding the incident to communicate further consequences for a repeat offense. **

2nd Offense 0% on class assignment, test, or other projects, parent/guardian contact, referral from administration, and consequences at the discretion of the administration

Students involved in violation of the academic dishonesty policy may be denied participation or recognition in programs or events related to academic achievement.

ANIMALS (BP 6:100)

Students are prohibited from bringing animals to school unless permission to do so has been granted by the Principal or their designee.

ASSEMBLIES (BP 6:255)

From time to time, special assemblies are scheduled for the student body. For most, but not all of these assemblies, we offer an alternative location for independent work/study. There will be some assemblies that we feel will benefit all students. Therefore, we ask parents/guardians not to call the school to have their students excused from assemblies. These will not be considered excused absences. We reserve the right to require written verification for absences for reasons on assembly days.

BUSES (BP 7:220)

Students are expected to follow all school rules on the bus. All students will be required to present a valid student ID when boarding the school bus. Safety is a major concern, and if a student endangers others with their behavior, the student may be subject to the normal range of disciplinary consequences and removed from the bus for up to 10 days, leading to a possible expulsion from the bus. Student behavior and the bus driver’s management of that behavior are two key elements to safe and enjoyable bus rides. Students may only ride assigned buses. Permission must be obtained from an administrator to ride another bus pending confirmation of parent approval. The installation and utilization of video cameras on school buses are aimed at improving student behavior on the bus by recording the behavior of the students and the bus drivers’ methods of student management. Buses will be equipped with a special box installed in the front in which a video camera can be stored and operated. Once a video is completed, appropriate District 204 staff may review the tape.

The following is a list of rules and regulations regarding bus transportation:

1. Be at your bus stop five (5) minutes before scheduled pickup time.
2. Be courteous to students and neighbors at bus stops and while traveling on the bus.
3. Ride only your assigned bus. Permission to ride another bus is granted only during emergency situations in which the parent has been in direct contact with the building’s administration.
4. Do not ask to stop at places other than the regular bus stop.
5. Cooperate with driver at all times.
6. Do not litter the bus or bus stop.
7. Do not use profane language.
8. Remain seated at all times.
9. Do not throw objects at, on, or from the bus.
10. Keep head, hands, and feet inside the bus.
11. Do not vandalize equipment (seats will be assigned on vandalized buses).
12. Do not eat, drink, or smoke on the bus.
13. Obey the driver.
14. Gross misconduct on the bus will not be permitted.
15. All students must present their student ID to board the bus (at the individual school’s discretion)

CELL PHONES AND ELECTRONIC DEVICES (BP 7:190)
The use and possession of electronic devices will be permitted only in approved areas throughout the school day. These devices may include, but not be limited to cell phones, smart phones, personal listening devices, personal digital assistants, earbuds, AirPods, Bluetooth devices, portable gaming systems, electronic computing devices, etc.

- Use of these devices will be allowed only in non-instructional areas designated by the school Administrators.
- In areas where there is a reasonable expectation of privacy, such as the rest rooms, locker rooms, nurse’s office, etc. the use of electronic devices is prohibited at all times.
- The use of electronic devices during school assemblies and programs is also prohibited.

Use of any electronic device to engage in any of the following is strictly prohibited. Violations will result in the administration of the appropriate school consequences.

- Failure to comply with a teacher’s directive for use in an instructional setting
- Academic dishonesty
- Planning inappropriate behavior that would impact the orderly process of the school day or the educational process
- Sending, receiving, or possessing sexually explicit or otherwise inappropriate pictures, images or statements (sexting)
- Talking and/or transmitting pictures, videos, or audio recording of another, without that person’s consent
- Cellular phone calls
- Bullying, intimidating, threatening, or harassing others
- Identity theft
- Interfering with a school investigation
- Creating a disruption to the educational process

It will be the responsibility of the student to insure that all rules and regulations related to the use of electronic devices, both in instructional and non-instructional settings, are adhered to completely. School and district policies, as well as classroom guidelines must be followed. Violators will be subject to disciplinary action, which may include the confiscation of the device. The school is not responsible for lost or stolen devices.

Use of electronic devices for instructional purposes will be permitted only in classrooms where the teacher has designated the use for educational purposes. The classroom teacher has the sole discretion to allow this in his or her instructional setting. During the school day (from 8:00AM-3:00PM) cell phones, headphones, earbuds, Bluetooth devices, etc. should be powered off and out of sight in all areas.

Cell phones that are seen and/or heard in unapproved areas or inappropriately in use in other areas may be confiscated, turned into the Main Office and returned to the student at the end of the school day. Disciplinary consequences may be issued for subsequent offenses.

An opt-out policy is used for technology. Permissions have been verified by parents during registration. Students will be able to access internet resources at school and use personal technologies unless a parent/guardian chooses to opt-out through the registration process or by contacting the main office at the child’s school. Technology use policies and guidelines can be viewed on the district website under Tech Services -> Policies and Guidelines (http://tech.ipsd.org). As part of Google apps for Education, all secondary students are issued a district-assigned email account.

Thefts of electronic devices on school grounds should be reported to administration as soon as possible. Administration will work with the School Resource Officer (SRO) to file a report and investigate. However, ultimately the school is not responsible for lost or stolen property, so students should take extreme care when having valuable items in their possession. Students are encouraged to log all electronic devices with the online Electronic Device Registry.
CLOSED CAMPUS POLICY
In order to maintain maximum safety and accountability of students, our middle schools are closed campuses. Once a student arrives on school grounds, they may not leave. Students are also expected to remain on campus after school until properly picked up. Once a student leaves the building from an after school activity, they may not return to the building. Students who violate the closed campus policy will receive appropriate consequences at the discretion of the administration.

Due to supervisory schedules, students who do not ride the bus shall arrive at school no earlier than 7:45 A.M on Mondays, Tuesday, Thursday, Friday, and 8:05 A.M. on Wednesday. Upon arrival, students shall report to designated supervisory areas. For purposes of detention, or with special faculty permission, students may enter the building prior to the listed times as long as they are under the direct supervision of a staff member. Student dismissal will be at 3:00 P.M. A bell will ring at 3:15 P.M. after which no student may remain in the building. Students involved in special activities after school are to remain in their assigned areas. During the morning bus time (7:30 A.M. to 8:00 A.M.) and the afternoon bus time (3:00 P.M. – 3:15 P.M.), cars will not be allowed in the bus circle of each school. Parents may drop off or pick up students in the designated student drop areas.

DANCE AND SPORTING EVENT RE-ENTRY (BP 7:190)
For the safety and security of all students and guests, students may not leave and re-enter a dance or sporting event. Once a student enters an event, they are encouraged to stay until the completion of the event. If a student chooses to leave, they are not allowed to return to that event. This includes off campus events such as athletic contests.

DRESS GUIDELINES (BP 7:160)
A student’s dress and grooming must not disrupt the educational environment or process, interfere with a positive teaching and learning climate, or compromise reasonable standards of health, safety, modesty, and decency as determined by the Board of Education. Dress code guidelines will apply to all PE courses and school sponsored events.

IPSD reserves the responsibility and right to determine the appropriateness of student dress during school day and during any school sponsored event, function, dance or athletic contest. Student dress or attire will conform to the following minimum standards. Information on the dress code can be found on page 23.

ELEVATOR USE
If a student needs to use the elevator due to injury or illness, he/she needs to report to the nurse’s office and appropriate passes will be issued for the duration of the recovery from injury or illness.

FAMILY LIFE & SEX EDUCATION (BP 6:60)
District 204’s family life and sex education program will be taught sequentially in relation to the students’ physical, emotional and intellectual maturity levels.

No student will be required to take or participate in any class or course on HIV or sex education if his/her parent(s) or guardian(s) submits a written objection to the building principal. Further, that decision not to take or participate in any such course or program will not be reason for the suspension or expulsion of the student, or changing the student’s grade. The student will be required to complete an alternative activity that is aligned (by goals, purpose and standards) to the content and stated objective of the class or course.

GRADING SCALE - MIDDLE SCHOOL GUIDELINES (BP 6:280)
Middle school teachers in District #204 recognize the wide range of abilities, attitudes, stages of cognitive development, and levels of maturity of the students they serve. Therefore, they support an evaluation system which encourages the development of work habits, skills, and attitudes that are necessary for students to become lifelong learners. Grading standards developed by individual teachers confirm this belief by promoting evaluation practices that:

- reflect student achievement of curricular goals in respect to their abilities.
- reflect numerous and varied age-appropriate opportunities for students to succeed and demonstrate knowledge of subject matter.
- foster student responsibility by considering work quality, effort, and task performance.
- promote good communication with students, parents, staff and community.

* Cooperative Projects  * Participation
* Discussion  * Performance Evaluations
* In–Class Assignments  * Quizzes and Tests
* Note taking  * Special Projects

Honor Roll (BP 6:330)
The middle school honor roll is determined for each nine weeks by the calculations of grades received in all classes according to quality point scale value. Regular Honor Roll is obtained by maintaining a 3.25 average. The High Honor Roll is obtained by maintaining a 3.60 average.

GUIDANCE
The Guidance Department provides counseling and information for students and their families to help young adolescents navigate academics and social interactions.

HEALTH INFORMATION: ILLNESS, INFECTIOUS DISEASES, AND MEDICAL CONDITIONS (BP 7:280)
The school district follows the guidelines developed by the county health department in regards to infectious diseases that are communicable to large numbers of students. Please check with the nurse regarding specific infections and the guidelines that need to be followed for diseases such as measles, chicken pox, meningitis, and mononucleosis. Pink eye, or conjunctivitis, is seen frequently in the school setting. If this is suspected while the student is in school, the student will be sent home and must be seen by a doctor. The student may return after they are cleared by their doctor to do so.
In general, if a student has a temperature of 100 degrees or greater, they should be kept at home.

HOME AND HOSPITAL INSTRUCTION (BP 6:150)
A student who is absent from school, or whose physician anticipates that the student will be absent from school, because of a medical condition may be eligible for instruction in the student’s home or hospital. Eligibility will be determined according to State law and the Illinois Board of Education rules.

INTEGRATED PEST MANAGEMENT (BP 4:160)
Public Acts 91-0099 and 91-0525 require Integrated Pest Management (IPM) for all Illinois public schools. IPM is a method for managing damage by pests with the least possible hazard to people, property and the environment. This method for managing pests includes the careful use of pesticides such as insecticides, herbicides, rodenticides and fungicides. Integrated Pest Management also requires that parents or guardians have prior notice of pesticide
INTERNET ACCESS (BP 6:235)
Terms and Conditions of Internet Use:

- **Acceptable Use** – All use of the District’s connection to the Internet must be in support of education and/or research, be consistent with the educational objectives, policies, rules, and regulations of the Board of Education, and be in compliance with and subject to district and building discipline codes.

- **Privileges** – The use of the District’s Internet is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. The system administrator will make all decisions regarding whether or not a user has violated this Permission and may deny, revoke, or suspend access at any time; his or her decision is final. Violations of the code of conduct or professional requirements may result in the loss of privileges and employee or student discipline. Due Process will be given commensurate with the seriousness of the offense.

- **Unacceptable Use** – The user is responsible for the user’s actions and activities involving the network. Some examples of unacceptable uses are given below. The list is not intended to be exhaustive. The Administration may periodically revise the concepts of acceptable and unacceptable use. These revisions will become part of this document.

**LOCKERS (BP 7:140)**

All students will receive locker assignments during the first day of school. Since lockers are for the safety and convenience of students, it is important to keep your locker locked. (After the door is closed, spin the dial.) KEEP THE LOCK COMBINATION PRIVATE AND USE ONLY YOUR ASSIGNED LOCKER. STUDENTS ARE NOT PERMITTED TO MAKE UNAUTHORIZED MOVES INTO ANOTHER STUDENT’S LOCKER. All students should inspect their lockers at the beginning of the school year for any damage or cleaning that might be needed. Report any trouble with your locker to the appropriate staff member or the Main Office. Defacing of lockers is not permitted. Students will be assessed a monetary fine, to be determined by school personnel, if lockers are found to be damaged or defaced in any way. Routine locker inspections may be conducted. Each student has the responsibility to clean out and remove locker contents at the end of the school year. The locker and its contents are subject to search by school officials especially if there is reason to suspect that unauthorized materials (e.g., drugs, alcohol, stolen property, etc.) are being housed in the locker. Since the school cannot assume liability for any lost or stolen property, students are cautioned to keep their possessions under lock at all times. Students are discouraged from bringing valuables and large sums of money to school.

Student athletes must remove locks and personal items from the athletic lockers at the conclusion of each athletic season. Failure to do so may result in the removal of the lock and belongings by school personnel.

**Note:** ALL STUDENT LOCKERS ARE THE PROPERTY OF INDIAN PRAIRIE SCHOOL DISTRICT 204 AND ARE ACCESSIBLE TO SCHOOL AUTHORITIES AT ANY TIME.

School authorities for any reason may conduct periodic general inspections of lockers at any time, without notice, without student consent, and without a search warrant.

**LOST AND FOUND**

Lost and found articles will be taken to the Main Office or school Lost & Found. Inquire about items of value (i.e. gold or silver jewelry, wallets, purses, cash) in the Main Office.

**LUNCH (BP 4:130)**

Our food service operation is located in the cafeteria. Students may purchase a meal which includes a choice from a variety of entrees plus two or three sides. Sides include a choice of salads, fruit, vegetables, and juice or milk that round out the nutritious and popular menu.

The District offers an online prepayment system at [www.pushcoin.com](http://www.pushcoin.com). Parents can register for a free account that allows them to manage their student’s meal account by checking end of year balances, paying off any negative balances, preparing for the next school year, and seeing what your student has purchased in the lunchroom. Student meals are purchased using their student ID.

Online payments are accepted, but not required. Payments via check will be accepted at the school and the monies entered on the student account. Payments will be reflected the next day on the account. Students may also bring their own lunch. A la carte items and beverages may be purchased.

*In an effort to maintain a positive climate and decrease exclusion, please refrain from ordering or delivering food or drinks for groups of students i.e. birthday treats and balloons.*

**LUNCH – FREE AND REDUCED LUNCH – USDA NATIONAL SCHOOL LUNCH PROGRAM (BP 4:130)**

The District participates in the USDA National School Lunch Program to supply free/reduced breakfasts/lunches to students of families whose gross income qualifies them for such assistance. Parents may apply at any time during the school year STARTING JULY 1. The application may be submitted online or be requested from the school office.
MEDICATION (SELF-DISPENSING OR SELF-ADMINISTRATION) (BP 7:270)
IPSD middle schools follow strict guidelines for student self-dispensing and administration of medication (see appropriate sections of School Board Policy and the IPSD 204 Parent-Student Handbook). With parental permission and notification of the nurse’s office, students may carry and take the amount (dosage) as prescribed by a physician. While at school students may only carry medication or prescription drugs in the amount of a one-day dosage as prescribed by a physician. The one-day amount (dosage) of the medication must be carried in an appropriately labeled pharmaceutical container. At no time may a student share medication (over the counter or prescription drugs) with another student. Students are encouraged to visit the nurse’s office at the time of taking their medication.

If parents prefer, or if the medication or prescription warrants, medication may be stored and dispensed by the school nurse on a case by case basis in accordance with the appropriate sections of School Board Policy and the IPSD 204 Parent-Student Handbook.

NO TRESPASS LETTERS (BP 8:30)
If an individual is considered to be disruptive, his or her access to school activities and school property will be limited to the school day by being issued a No Trespassing Letter from the Administration. If students do not comply with the No Trespassing Letter they will be suspended for insubordination and may be subject to arrest.

PARENT CONFERENCES (BP 8:95)
Parent conferences are scheduled twice a year, once in the Fall and once in the Spring. Conferences may be teacher or parent initiated. Specific dates may be found in the enclosed school calendar. Final information regarding conference dates and schedules will be communicated to parents by educational teams. Conferences can also be scheduled on non-designated parent/teacher conference dates if circumstances warrant.

PERMANENT RECORDS (BP 7:340)
Students’ permanent records will be kept for sixty years after promotion. Temporary records will be destroyed five years after promotion. Students and parents/guardians may inspect, copy, and challenge the records that are in temporary and permanent files before they are sent to a new school or destroyed.

PERSONAL INFORMATION (BP 7:15)
Collection of personal information for marketing purposes:
In connection with any instrument used to collect personal information for the purpose of marketing or selling the information (or otherwise providing the information to others for that purpose): (1) parents will receive prior notification of the administration or distribution of any such instrument; (2) upon request, a parent may inspect any such instrument prior to its administration or distribution; and (3) a parent may elect not to allow his or her child to participate in the completion of or response to any such instrument.

- Opt-Out/Inspection Request Procedures: (BP 6.260)- Parents who wish to opt their children out of participation in one or more of the activities identified herein must submit a signed and dated written opt-out notice to the Building Principal at least two (2) school days prior to the activity date. The notice must identify the activity and state that the parent elects not to allow his or her child to participate in the activity.
Parents who wish to inspect surveys, instructional materials and/or instruments used to collect personal information for marketing purposes must submit a written inspection request to the District office, directed to the Superintendent. The request must identify the specific item to be inspected, and must be submitted prior to any deadline set forth in the notice of inspection rights.
- Additional Notice to Parents: (BP 7:15)- The District also will notify parents/guardians of the approximate dates on which the following activities (if any) are scheduled or are expected to be scheduled: (1) surveys requesting personal information; (2) collection of personal information for marketing purposes; and (3) physical examinations or screenings.

PERSONAL ITEMS
Students may ride skateboards or wear in-line skates to school but may not use them on school property. During the day, skateboards and in-line skates must be kept in lockers. Students riding the bus are not allowed to carry skateboards or in-line skates on the bus due to safety rules. In addition, the use of motorized skateboards, hoverboards, scooters or drones is not permitted on school property.

Due to the potential danger of aerosol sprays, all aerosol sprays (i.e. hair spray, deodorants, etc.) are forbidden on school property, at off-campus school sponsored events, at extra-curricular activities, and on school busses.

PHYSICAL EXAM AND SCREENING
Parents will receive prior notice of any non-emergency, invasive physical examination or screening that is – (1) required as a condition of attendance; (2) administered by the school and scheduled by the school in advance; and (3) not necessary to protect the immediate health and safety of the student or other students. In addition, parents may elect not to
allow their children to participate in such a physical examination or screening.

RETENTION/PROMOTION PROCEDURE
Indian Prairie School District #204 believes that promotion from one grade level to another is an endorsement that a student is academically and socially prepared for success in the following school year. As such, it may be improper to socially promote students who have not met certain minimum standards. Students who do not achieve a yearly 1.5 average (A=4, B=3, C=2, D=1, F=0) for their academic/exploratory classes will be given consideration for retention.

An extensive summer school program or an alternative school placement will be considered for eighth grade students not meeting the minimum grade standards, if promotion to the high school is to occur. This summer school option will only be offered based on principal recommendation. As an extensive summer school program is not an option for sixth and seventh grade students, attendance at other special academic support sessions as determined by the principal may be required in consideration of promotion to the next grade level.

The decision of retention/promotion must be individualized and examine several social, developmental and academic factors unique to each student. It must include parents, administration and teachers. Although parent support will be solicited, the final decision for retention/promotion will rest with the principal.

SCHOOL CLOSING (BP 4:170)
When winter weather occurs, the safety and well-being of our students is always a top priority. District 204 follows a plan whenever there is consideration of a school closing due to weather conditions.

We contact parents using the following methods:

- Information is posted first by @ipsd204 on Twitter and at www.ipsd.org
- Connect-ED phone call to parents/guardians
- Local television and radio stations
- Emergency Closing Center’s website

More information can be found at http://www.ipsd.org/Subpage.aspx/WinterWeather

SCHOOL RESOURCE OFFICER (SRO) (BP 7:150)
As officer of the Police Department, School Resource Officers (SRO) work to establish a positive relationship between the police department and the school community. The goal of the School Resource Officer (SRO) is to assist in the maintenance of a safe and secure school environment and to allow for the educational process to occur in a natural and uninhibited manner. The SRO will be involved in law enforcement duties, educational programming, and counseling as situations dictate. In addition to being a member of the Police Department, the SRO is part of the IPSD and School community. The SRO will collaborate with and advise school personnel, act on referrals from school personnel and issue consequences ranging from counseling to arrest. Questioning or interviewing of students conducted by school officials does not require parental contact or consent, even if such questioning occurs in the presence of the School Resource Officer or the information obtained by school officials is shared with a School Resource Officer.

SEARCH AND SEIZURE (BP 7:140)
For the safety and supervision of students in the absence of their parent(s) and guardian(s), to maintain discipline and order in schools, and to provide for the health, safety, and welfare of students and staff, school authorities are authorized to conduct searches of students and their personal belongings, as well as District property. If school authorities have reasonable suspicion that a student has violated or is violating the law or district’s policy, school authorities may conduct a search to produce that evidence. School authorities may also inspect and search places such as lockers, desks, and other school property and equipment owned or controlled by the District, without notice to or consent of the student. Furthermore, within reason, their belongings may be searched as students are approaching and departing campus. Students who leave the building without permission may be subject to search upon returning to the building. Interviewing or questioning of students by school officials, including the School Resource Officer, does not require parental contact or consent.

SOCIAL SUSPENSION (BP 7:240)
Students may be placed on Social Suspension for certain violations of the Code of Conduct, Acts of Disobedience or Acts of Misconduct. Social suspension includes the loss of privilege to attend after school, extra-curricular events including but not limited to athletic events, music and drama performances and all school dances.

STUDENT DIRECTORY INFORMATION (BP 7:340)
Directory information may be released to the general public, unless a parent requests otherwise. The District has designated the following information as directory information: student’s name, address, telephone number, gender, grade level, birth date and place; parents/guardians names and addresses; academic awards, degrees and honors; information relating to school-sponsored activities, organizations and athletics; major field of study; and period of attendance in the
school and District. Any parent who wishes to request that any or all such information not be released should complete a Directory Information Response Form within the first two weeks of each school year. The Directory Information Response Form may be obtained from the office of the Assistant Superintendent for Student Services.

No photograph highlighting individual faces will be used for commercial purposes (including solicitation, advertising, promotion or fundraising) without prior, specific, dated and written consent of parent/guardian, or student, as applicable. The following shall not be designated as directory information: an image on a school security video recording, student social security number or student identification or unique student identifier.

A parent/guardian may ask the District not to release directory information by submitting a written request to the student’s school, addressed to the principal within the first two (2) weeks of the school term.

STUDENT IDENTIFICATION CARDS (BP 7:190)
Students must carry a valid (current school year) ID card with them at all times. Specifically, students may be required to show a valid student ID card to a teacher, administrator or other school personnel while on school district property. Students without valid ID cards will not be admitted to such events. On certain occasions when attempting to identify multiple students in a timely manner, a school official may ask a student to show or temporarily surrender their ID card. When asked to do so, students must comply with a request regarding ID cards or they may be subject to disciplinary actions.

STUDENT PRIVACY AND PARENTAL ACCESS TO INFORMATION (BP 7:15)
The following statement appears in all student handbooks and is distributed at the beginning of each school year. In the event no handbook is available, the building principal will ensure that all parents receive or have access to, at the beginning of the school year and/or at enrollment time, a copy of the following statement either in hardcopy or via online:

- Notice – Student Privacy/Parental Access to Information: This Policy addresses student privacy and parents’ rights to information relating to instructional materials, surveys, physical examinations/ screenings, and collection of personal information for marketing purposes.

A Summary of the Policy is Set Forth Below:
- Instruction material: Upon request, a parent may inspect any instructional material (BP 7:15) used as part of the educational curriculum for his or her child.
- Surveys Created by a Third Party: Upon request, a parent may inspect a student survey created by a third party before the survey is administered or distributed by a school official or staff member.
- Surveys Requesting Certain Personal Information: Upon request, a parent may inspect any student survey requesting information about: (1) political affiliations or beliefs; (2) mental or psychological problems; (3) sexual behavior or attitudes; (4) illegal, anti-social, self-incriminating or demeaning behavior; (5) critical appraisals of other individuals with whom students have close family relationships; (6) legally recognized privileged or analogous relationships; (7) religious practices, affiliations or beliefs; (8) income (other than as required by law to determine eligibility for a program and/or for financial assistance).

The District will obtain prior written consent from parents before students are required to submit to any such survey funded in whole or in part by U.S. Department of Education funds. For any such survey not funded in whole or in part by U.S. Department of Education funds, parents will receive prior notice of the survey and an opportunity to opt their children out of participating.

- conferences with school personnel;
- counseling services by school counselors, social workers, and psychologists;
- testing by school psychologists and special education personnel;

2. The Assistant Superintendent will review the challenge and the appropriate records, conduct an informal conference with the parents, and issue a decision.
3. If the Assistant Superintendent denies the challenge, the parents will have the right to request a hearing before an impartial hearing officer.
4. If a hearing is requested, the hearing officer will schedule a hearing, with notice to the parents of the time and place. The parents will have the opportunity to present evidence at the hearing, and a record will be made of the hearing.
5. The hearing officer will issue a written decision, which will be transmitted to the parents. If the challenge is denied, the parents will be advised of any further appeal rights.
**Additional Information:**
Permanent records are maintained for at least 6 years after the student has transferred, graduated or otherwise permanently withdrawn. Temporary records are maintained for at least 5 years after the student has transferred, graduated or otherwise permanently withdrawn.

The school may charge the actual cost (not to exceed $.0354 per page) of copying student records at the request of a parent or student. However, no parent or student will be denied requested copies due to inability to pay for the copies. Pursuant to the Family Educational Rights and Privacy Act ("FERPA"), a parent may file a written complaint with the U.S. Department of Education when they believe that a violation of FERPA has occurred. No person may condition the granting or withholding of any right, privilege or benefits or make as a condition of employment, credit or insurance the securing by any individual of any information from a student's temporary record which such individual may obtain through the exercise of any right secured under the Illinois School Student Records Act.

**TECHNOLOGY (BP 6:235)**
All students are asked to sign an Acceptable Use Policy defining acceptable use of the Internet and technology in general. The essence of the policy is that the students will use the technology to enhance their education based on our curriculum. Infractions of the policy will be categorized as disobedience and will involve consequences.

**1:1 District Issued Digital Device:**
Indian Prairie School District #204 will provide students a Google Chromebook for use at school and at home to support learning. Our expectation and belief is that students will responsibly use district technology and that they understand the appropriate and acceptable use of technology and district networks. We also expect that students will keep their district-issued devices safe, secure and in good working order.

**TELEPHONE ACCESS AND USE DURING THE SCHOOL DAY**
If a situation arises in which phone use is needed, students may report to the Main Office to make a call. Parents/guardians needing to contact their student for emergency purposes should call the Main Office.

Parents/guardians are discouraged from contacting students via cell phones during the school day. Cell phone use by students may result in consequences as outlined in the discipline policy.

**VISITORS DURING THE SCHOOL DAY (BP 8:30)**
In receiving visitors, District personnel will be cognizant of student welfare and safety, and the continuity of the educational program. In order to provide for an orderly process and worthwhile experience for visitors, the following guidelines will govern school visits:

1. Visitors will pre-arrange visits to the school with the building principal at least 24 hours prior to the visit.
2. In all cases, visitors must report to the Main Office upon entering the school building and present a valid picture ID. All IDs will be scanned into the schools database.
3. School and classroom visits must not be disruptive or in any way interfere with the instructional program. All visits and visitors will be subject to the authority of the building principal, who may restrict or limit visits, or visitors as he/she considers necessary.
4. Each visitor will be asked to wear an identification badge when visiting District classrooms.
5. The federal Gun-Free School Zones Act (18 U.S.C. §922(q)(2)) provides generally that it is unlawful for any individual knowingly to possess a firearm in a school zone.

**SECTION 3: SCHOOL CLIMATE**
Refer to Board Policy 7:190 for additional information

**PHILOSOPHY AND EXPECTATIONS**
The Superintendent or their designee, with input from the parent-teacher advisory committee, will prepare disciplinary rules that implement the District’s policies. Each student is responsible for becoming familiar with the district’s disciplinary policies and rules, and any claim of lack of knowledge of such policies and rules will not affect any disciplinary proceedings that are initiated against a student.

This school believes in the development of self-discipline of each student. Parents/guardians, teachers and school officials are all partners in helping students acquire that self-discipline. At school, teachers are the first resource in fostering an orderly school atmosphere.

When a student is involved in a disciplinary matter, the student will be given individual attention in a positive, corrective manner. Disciplinary action may range from a warning/behavioral intervention to detention or suspension from school. Expulsion from school is the most serious option used in maintaining student discipline.
Parents/guardians are informed of significant disciplinary action involving their student as well as the procedure for due process appeals for suspensions. Questioning or interviewing of students conducted by school officials does not require parents/guardians contact or consent, even if such questioning occurs in the presence or vicinity of the school resource officer or the information obtained by school officials is later shared with a School Resource Officer.

All school rules apply during travel to and from school and at school-sponsored activities, including parking lots used by students for school attendance, anytime in the building, or any school-sponsored activity in or away from school at any time.

RECOGNIZING POSITIVE STUDENT BEHAVIOR
Those students who choose to act in an acceptable manner may receive a variety of positive rewards. These rewards may include things such as:
1. Verbal praise from his/her teacher.
2. Written praise in the form of a certificate or other type of award from the teacher or team of teachers.
3. Tangible reinforcers may be issued by staff members as spontaneous recognition for appropriate academic or behavioral actions. These reinforcers (such as PLUS TICKETS) can be used for special drawings, raffles and incentives throughout the year.

CAFETERIA BEHAVIOR
It is the expectation of District 204 that students behave as well in our cafeterias as they would in a restaurant. Students are expected to use courtesy, manners and common sense while eating lunch. Students who fail to meet these expectations will be dealt with in a manner consistent with other acts of disobedience or misconduct in the level system. Consequences may also include lunch detention or assigned seating.

CLASSROOM BEHAVIOR
The following are basic classroom behavior expectations:
1. Supplies, materials and homework – The expectation is for students to come to class prepared with the necessary books, supplies, and homework. Each time a student does not have the necessary pen, pencil, paper, book, etc. he/she will advance to the next step. If a step system is acted upon the student should not receive a double jeopardy of an additional consequence such as a zero (0) grade for the homework assignment.
2. Classroom behavior – Students are expected to use courteous behavior towards students and teachers. Each time a student neglects this courtesy, he/she will advance to the next step. (Examples: interrupts or talks during class, is rude or disrespectful, does not follow teacher directions or classroom rules relating to behavior)
3. Tardy to class – Students should be in the classroom ready to begin at the time class is scheduled to start. Each time a student arrives after this time, without a pass, he/she will advance to the next step. Chronic tardiness could be considered as repeated refusal to comply with school rules.

Steps For Dealing With Classroom Misbehavior
- First Consequence: The teacher will communicate to the student that the behavior is inappropriate (warning).
- Second Consequence: Parents/guardians contact (by phone) is recommended but not required for all behavior infractions.
- Third Consequence: Detention and/or other teacher intervention.
- Further Consequence: If the problem persists, additional detentions or other consequences may be assigned. In addition, other interventions may be implemented. These disciplinary measures are a range of options that will not always be applicable in every case.

RANGE OF DISCIPLINARY MEASURES:
- Parents/Guardians Conference—The teacher(s) will share concerns with the student's parents/guardians in order to gain insight, receive suggestions, and address the problem in a cooperative, supportive effort.
- Team Intervention—The teacher(s) will discuss the problem during team meetings.
- Building Intervention/Teacher Assistance—The teacher(s) will bring the problem to a team which consists of teachers, social worker, counselor, and the administration. Further discussion will take place and result in intervention strategies and a timeline to monitor progress and update strategies. Some of the strategies may be a continuation of those implemented during the grade-level team intervention. Parents/guardians shall be notified of recommended strategies by the school.
- Referral to Administration—In instances of student gross misconduct or repeated misbehavior, teachers may refer students to the assistant principal. The student will be held responsible for his/her actions which may include consequences at the discretion of the administration.
- Detention Procedure
  1. The student will be given a detention slip indicating the date issued and a brief description of the inappropriate behavior.
  2. The student is responsible for obtaining his/her parent's/guardian's signature on the detention form.
  3. The detention must be served before or after school within three attendance days of the date issued. The signed detention form must be given to the detention hall supervisor. If a student is absent from school on
each of the three consecutive attendance days following receipt of a detention, the detention is to be served the first day upon returning to school.

4. Failure to serve a detention within the required three days may result in an in-school suspension (ISS) or other appropriate consequence, at the discretion of the administrator, for refusal to comply with the school rules regarding detentions.

5. Two or more failures to serve detentions may result in future consequences as determined by the administration.

6. Detention periods must be used for the purpose of independent study or reading of appropriate material. Students must bring appropriate instructional materials.

7. Detentions are to be served before school (7:20 A.M. -7:50 A.M.) or after school (3:10 P.M. - 3:40 P.M.) Alternate arrangements are not available due to supervisory responsibilities. Parents/guardians shall be responsible for ensuring that their child attends during one of these times if he/she is assigned.

- **In-School Intervention (ISI)** – ISI is an intervention that is utilized for under half a day. While serving ISI, the student is expected to complete school assignments in a quiet area. On a day that ISI is assigned, the student will not be attending his/her regular classes but will be assigned to one supervised room. If the student is absent on a day that an ISI is assigned, he/she is to serve it on the first day after returning. Students who engage in misbehavior while serving an in-school intervention may be subject to disciplinary consequences that are appropriate for the misbehavior.

- **In-School Suspension (ISS)**— ISS is an intervention that is utilized for over half a day. While serving ISS, the student is expected to do school assignments in a quiet area. On a day that ISS is assigned, the student will not be attending his/her regular classes but will be assigned to one supervised room. If the student is absent on a day that an ISS is assigned, he/she is to serve it on the first day after returning. Students who engage in misbehavior while serving an in-school suspension may be subject to disciplinary consequences that are appropriate for the misbehavior. Parents/guardians will be responsible for making immediate arrangements to pick their child up at school.

- **Out of School Suspension (BP 7:200)**—One of the interventions that may be assigned by the administration is the Out of School Suspension (OSS). Building administration place a priority on keeping students in school; however, there are individual cases that may warrant a student receiving an out-of-school suspension. Students will be issued an out-of-school suspension if the student's continued presence in school would pose a threat to school safety OR would disrupt to other students' learning opportunities.

  - While serving OSS, the student is not allowed on school grounds for any function without the prior direct consent of the Principal or Assistant Principal.
  - In cases where a student receives an out-of-school suspension for 3 days or fewer, notification to parents/guardians will detail the policy infraction and the rationale for the duration of the suspension.
  - In cases where a student receives an out-of-school suspension for 4 days, notification to parents/guardians will detail the policy infraction, the rationale for the duration of the suspension, and all behavioral and disciplinary interventions that have been attempted.
  - In cases where a student receives an out-of-school suspension for 5 - 10 days, notification to parents/guardians detail the policy infraction, the rationale for the duration of the suspension, and all behavioral and disciplinary interventions that have been attempted.
  - During out-of-school suspensions of 3 or more days, class work will be collected by the guidance counselor and may be picked up by the parent/guardian in the guidance office. The length of suspension is measured in school days when students are in attendance.
  - If a student receives an out-of-school suspension, they are responsible for turning in all missed work. The number of days they are out will determine the number of days they have to complete the work upon their return. For example, a student receiving an out of school suspension for 2 days will have 2 days upon their return to complete the work.
  - Upon returning from an out-of-school suspension, expulsion, or alternative placement all, students will have a re-engagement meeting. The goal of the re-engagement meeting will be to help the student successfully transition back into the school environment.
  - In disciplinary cases in which a student is removed from a classroom for a day or longer, the district affords due process procedures. Due process ensures that the student is informed of the charges and is given the right to respond. Appeals must be made within seven days of the suspension. A request for an appeal shall not delay the implementation of the suspension. Disciplinary records will be removed from or revised in the student record, as necessary, to reflect the result of any review. If a student or parent/guardian wishes to appeal an administrator’s decision, he/she may appeal to the principal or his designee according to due process procedures. A parent/guardian may attend such appeal with the student. Appeal hearings are held at school or at the Crouse Education Center. Reviews must be in the following order:
    - First Level: Principal or designee
An administrator or other designated school official may conduct a search of any student and/or that student's personal articles. Failure to comply with the request under this procedure will be considered insubordination.

SEARCH AND SEIZURE (BP 7:140)
An administrator or other designated school official may conduct a search of any student and/or that student's possessions whenever that school official has reasonable cause to believe the student is in possession of any illegal object(s), controlled substance(s), or other objects detrimental to the health, safety, or welfare of the educational process, other students, or other school personnel. Any search authorized under this policy must be reasonable in scope and limited to searching school lockers and ordering the student to empty pockets, purses, backpacks, book bags, or other personal articles. Failure to comply with the request under this procedure will be considered insubordination.

THREATS AND SAFE SCHOOL
Any threat will be taken seriously. We caution all students that threats may result in serious disciplinary consequences. Police investigation, arrest, suspension, and recommendation for expulsion may be warranted.

ACTS OF DISOBEDIENCE OR MISCONDUCT
Disobedience or misconduct shall include any conduct, behavior, or activity which causes or may reasonably lead school authorities to forecast substantial injury, disruption, or interference with school activities or the rights of other students or school personnel. Disobedience or misconduct may occur on school grounds, on a school bus, or at a school function. It may also occur outside the school grounds provided, however, that a direct relationship exists between the conduct of the student and the school's educational function.

Getting an education is both a privilege and a right for a student. Students guilty of disobedience or misconduct abuse that right, and the law provides the means by which the privilege can be withdrawn. State law provides that students may be subject to disciplinary consequences up to and including suspension or expulsion for gross disobedience or misconduct. Generally this type of behavior falls into four classifications:

1. Repeated minor misbehavior which continues after previous disciplinary action.
2. Behavior which is destructive of property.
3. Behavior which is damaging to other persons or is seriously disrespectful of their rights.
4. Behavior which seriously interferes with the educational process or conduct of other students in the school.

Any action which demonstrates a clear and present danger to the safety and well-being of the students and staff either off school grounds or during non-school hours will be subject to disciplinary action by the school.
CATEGORIES OF OFFENSES
The following should not be interpreted as being the only offenses for which disciplinary actions may be taken. Any behavior or attempt of any of the prohibited activities, whether or not on school property, that is not conducive to a healthy school environment or could pose a danger to oneself or others will be dealt with according to administrator discretion.

LEVEL I
Level I involves offenses or minor misbehaviors which interrupt the orderly operation of the classroom, school and/or bus. Such misbehaviors can usually be handled by an individual staff member but sometimes require the intervention of other school support personnel. Level I infractions may include but are not limited to:

Dress code guidelines will apply to all PE courses and school sponsored events.

Student dress or attire will conform to the following minimum standards:

1. Clothing must effectively cover the student’s torso. Underwear must be covered. Bare midriffs are not permitted. Prohibited shirts include, but are not limited to, backless, one shoulder, strapless, or thin-strapped shirts or blouses. Also prohibited is clothing with low-cut necklines, clothing that exposes cleavage and shirts or pants that have any revealing holes. Shorts and skirts must come to at least fingertip length with arms fully extended.
2. Head coverings (e.g., hats, hoods, etc.), coats, gloves, and sunglasses must be removed upon entering the building. Religious head coverings are exempt.

5. Students will not wear beachwear to classes, except for special school-approved days.
6. Any item of clothing, shoes, jewelry, accessories, book bags, purses and other similar items may not be worn or brought to school or school-related events on which any of the following appear:
23

- Derogatory, inflammatory, sexual, discriminatory or offensive symbols, images, words, etc.
- Any reference to alcohol, tobacco, drugs, weapons, etc. including advertisements
- Any symbol, image, word, etc. that is obscene, vulgar or profane
- Any reference, symbol, image, word, etc., to violence or gang activity

7. Students may not wear or display items that are considered to be gang identifiers by our school and community. Any other attire, item, insignia, or symbol, which the administration has reasonable cause to believe is a gang identifier, will be prohibited.

8. At any school function, all middle schools reserve the responsibility to determine the appropriateness of dress.

9. Consequences include but are not limited to the following:
   - Cover-up/change of clothes
   - Parent/guardian contact
   - Repeated offenses may result in further disciplinary consequences such as detention or in-school suspension.

---

**LEVEL II**

Level II involves misbehaviors whose frequency or seriousness tend to disrupt the learning climate of the school. Level II and repeated acts of Level I misbehaviors may require the intervention of personnel on the administrative level. Level II infractions may include but are not limited to:

**Theft-minor (under $500):** Taking, removing, or possessing, without permission, property belonging to others.

**Bullying (physical/verbal/cyber)(BP 7:20):** The verbal, physical, written, or technological use of force, threat, or coercion to abuse, intimidate, or aggressively dominate others over time. This behavior is often repeated and habitual. One essential prerequisite is the perception by the bully or by others of an imbalance of social or physical power, which distinguishes bullying from conflict.

**Truancy (BP 7:70):** Absent without valid cause during the school day or a portion thereof. Appropriate consequence will apply and may include referral to the County Truancy Office.

**Failure to Serve:** Student neglects to serve his or her assigned detention by the agreed upon due date.

**Failure to Serve ISI / ISS:** Student does not come to school or fails to report on the assigned ISS or ISI date.

**Unwanted Physical Contact:** Unwanted physical contact including but not limited to poking, touching, kicking, nudging, or any other actions that may otherwise cause distraction and discomfort.

**Public Display of Affection:** Embracing, kissing, or caressing another in a situation or other circumstances deemed inappropriate.

**Gross Insubordination:** The willful failure to respond or carry out a reasonable directive by authorized school personnel that may reasonably lead school authorities to forecast substantial injury, disruption, or interference with school activities or the rights of other students or school personnel.

**Safety Violation:** Acts which directly or indirectly jeopardize the health, safety, and welfare of school personnel and students.

**Technology Violation:** Failure to follow the guidelines of the IPSD 204 Acceptable Use Agreement or Student Handbook for technology.

---

**Level II Consequences are based on the seriousness of the incident and become more restrictive as the behavior persists. One or more of the following consequences may occur, but are not limited to:** verbal warning, student conference, preferred seating, parent/guardian contact, student services referral, student behavior contract, team intervention, conflict resolution, detention, In-School Intervention, or administrator involvement if necessary.
LEVEL III
These severe offenses present a substantial disruption and/or danger to the orderly operation of the school and/or to the health and safety of students, employees and other persons. Level III infractions may include but are not limited to:

Possession of Inappropriate/Pornographic/Hate Media (BP 7:310): This includes the possession, distribution, or intent to distribute such materials.

Racial/Ethnic/Sexual/Religious/Disability Comments (BP 7:190): Using verbal or written remarks which are based on a person’s race, color, religion, ethnicity, sex, or disability in order to demean or disparage.

Vandalism (BP 7:190 and BP 7:130): Vandalizing school property or private property, which is lawfully on school premises, or being used in conjunction with a school-related activity. This includes intentional damage to, destruction or attempt to damage or destroy school property or the property of school personnel or other students. In addition to any consequences associated with this level, the student may be responsible for restitution.

Reckless Conduct: Totally unreasonable conduct that is a gross deviation from what a reasonable person would do. Reckless conduct is much more than negligence and can result in perceived or physical injury of others.

Gang Related Activity (BP 7:190): Any behaviors associated with a gang or gang related activities. These activities may include wearing, possessing, drawing, or displaying items that are considered to be gang identifiers.

Mob Action: When two or more people engage in or threaten reckless force or violence to another person which may or may not result in injury.

Incident Not Resulting in Physical Injury:
- Battery to Staff Member: An offense involving unlawful physical contact to a staff member not resulting in serious physical injury.
- Fighting (BP 7:190): Engaging in physical contact for the purpose of inflicting harm to another person—generally with two people engaging in inflicting harm.
  Advice to students: If you are approached by another student who threatens you and wants to fight, simply tell the nearest staff member or go to the principal's office to report this information. There should also be an attempt to retreat. There should be an attempt to neutralize a hostile situation without escalating it. Do not involve yourself in a fight; you will be suspended from school if you do. These general guidelines apply also to travel to and from school and school-sponsored activities. To maintain a safe environment, fighting at school cannot be tolerated.
- Hazing (BP 7:190): Any act directed against a student for the purpose of being initiated into, affiliated with, holding office in, or maintaining membership in any organization, club, activity, event, athletic club, or athletic team, whether sponsored or not sponsored by the district, whose members or participants include other students.
- Physical Aggression (BP 7:190): Behavior threatening physical harm towards others. This includes hitting, kicking, biting, using weapons, or destroying others’ possessions—generally with one person inflicting harm on another or an object.
- Sexual Harassment (BP 7:190 & 7:20): Unwelcomed sexual advances, requests for sexual favors, and/or other verbal, physical, written or technological conduct of a sexual or sex-based nature, imposed on the basis of sex that has the purpose or effect of limiting any student in the enjoyment or right, privilege, advantage, or opportunity in the educational environment.
  Students who feel sexually harassed should contact any faculty member, counselor, or administrator. Complaints of sexual harassment by other students may be received orally or in writing. If the preliminary investigation reveals that the complaint is substantial and may warrant a suspension and/or other agency involvement, the student will be requested to put his/her complaint in writing; parents/guardians will be notified and involved in further investigation. The student’s oral or written statement will be kept confidential, except as necessary to complete the investigation. District personnel will comply with the child abuse reporting laws, where applicable. Incidents may be evaluated and result in police involvement and recommendation for expulsion. Parents of all parties involved shall be contacted about discipline reports.
- Sexual Misconduct: Defined as inappropriate sexual behavior, sexual activity, or sexual language.
- Theft-major ($500 & up) (BP 7:190): Taking, removing, or possessing, without permission, property belonging to others.
- Threat/Intimidation, Threat to Staff Member, Threat of School Violence (BP 7:190): Any act, threat, hoax or prank of a dangerous nature, especially involving weapons, explosives, biological agents, or other dangerous material or look-alikes of such agents that endangers the physical or psychological wellbeing of
individual students or staff members. This includes threatening destructive actions to a student/staff member or property.

**Level III Consequences** are based on the seriousness of the incident and become more restrictive as the behavior persists. One or more of the following consequences may occur but are not limited to: verbal warning, student conference, preferred seating, parent/guardian contact, student services referral, student behavior contract, team intervention, conflict resolution, detention, Student services referral, In-School Intervention, In-School Suspension, Social Probation, Restitution, Out-of-School Suspension, referral to School Resource Officer, or possible expulsion.

**Level IV**

These severe offenses involve actions which are so serious that they always require administrative actions which result in at least temporary removal of the student from school. Level IV offenses may involve the intervention of law enforcement authorities and action by the Board of Education. Level IV infractions may include but are not limited to:

**Alcohol and Drug Offenses (BP 7:190):** Students on school premises under the influence of alcohol/drugs or in possession of alcohol/drugs or drug paraphernalia with or without the intent to distribute. This includes the use or possession of look-alikes.

District 204 reserves the right to inspect any beverage containers brought into school. Students suspected of using alcohol may be subjected to a breath test. The mere possession of alcohol or drugs (including the paraphernalia associated with drugs) on a student’s person, in a locker, or at school events will result in suspension and referral to an available community enforcement prevention agency. This also includes the attempt to purchase or obtain these items in a manner that impacts the school climate. The school assumes that a person bringing such substances to school has the intention of using or selling them. A recommendation for alternatives, such as further education and counseling, may be made. The responsibility for getting special counseling will rest with the student and his/her parent(s)/guardian(s). Prior to the student returning to school, a meeting will be required with parent(s)/guardian(s) in attendance to determine what follow-up measures have been pursued. Students using or possessing alcohol or drugs, including paraphernalia, will be referred to the police.

**Dangerous Weapon-Firearm* (BP 7:190):** Students on school premises in possession of a handgun, shotgun, rifle, unidentified firearm or look-alike which could threaten the physical or psychological welfare of other students or school personnel.

**Dangerous Weapon-other* (BP 7:190):** Students on school premises in possession of a dangerous weapon or any object being used as a dangerous weapon which could threaten the physical or psychological welfare of other students or school personnel.

---

*The Board of Education believes that weapons and other dangerous objects in school district facilities cause material and substantial disruption to the school environment and present a threat to the life, health and safety of students, employees and visitors on school district property. Accordingly, the possession, use, control or transfer of knives, guns, explosives, firearms or other weapons or dangerous instruments will be prohibited on school buses, in school buildings, and on school grounds, and at any school-sponsored activity or event, and at any activity or event that bears a reasonable relationship to school. If a student sees a weapon on school property or on a school bus, the child should never touch the weapon. That child must go immediately to an adult and inform them about the location of the weapon. All cases involving a weapon shall be handled in accordance to the Illinois School Code, 105 ILCS 5/10-22.6.

**Incident Resulting in Physical Injury:**

- **Fighting (BP 7:190):** Engaging in physical contact for the purpose of inflicting and resulting in physical harm to another person.
- **Physical Aggression (BP 7:190):** Physically aggressive behavior resulting in physical harm towards others. This includes hitting, kicking, biting, using weapons, or destroying others’ possessions.
- **Sexual Assault (BP 7:190 & 7:20):** Any involuntary sexual act in which a person is coerced or physically forced to engage against their will or any nonconsensual sexual touching of a person.
- **Theft-Major ($500 and up) (BP 7:190):** The act of taking, removing, or possessing, without permission, property belonging to others resulting in serious physical injury.
- **Battery to a Staff Member (BP 7:190):** An offense involving unlawful physical contact to a staff member resulting in serious physical injury.
- **Hazing (BP 7:190):** Any act directed against a student resulting in serious physical violence for the purpose of being initiated into, affiliated with, holding office in, or maintaining membership in any organization, club, or activity, event or athletic club, activity, event or athletic team, whether sponsored or not sponsored by the district, whose members or participants include other students.
● **Bullying (BP 7:190 and 7:20):** The verbal, physical, written, or technological use of force, threat, or coercion to abuse, intimidate, or aggressively dominate others over time. This behavior is often repeated and habitual. One essential prerequisite is the perception by the bully or by others of an imbalance of social or physical power, which distinguishes bullying from conflict.

● **Threat of School Violence (BP 7:190):** Any act, threat, hoax or prank of a dangerous nature, especially involving weapons, explosives, biological agents, or other dangerous material or look-alikes of such agents that endangers the physical or psychological well-being of multiple people in the school or the school as a whole. This includes threatening destructive actions to persons or property.

---

**Level IV Consequences**

Consequences are based on the seriousness of the incident and become more restrictive as the behavior persists. One or more of the following consequences may occur but are not limited to: verbal warning, student conference, preferred seating, parent/guardian contact, student services referral, student behavior contract, team intervention, conflict resolution, detention, Student services referral, In-School Intervention, In-School Suspension, Social Probation, restitution, Out-of-School Suspension, referral to School Resource Officer, or possible expulsion.

---

**REPEATED ACTS OF GROSS MISCONDUCT**

Other behaviors deemed inappropriate and disruptive to the educational atmosphere of the school will be handled at the discretion of the school administration. Depending on the seriousness of the offense, the penalty may be more severe than listed above.

In disciplinary cases in which a student is removed from a classroom for a day or longer, building administration will determine if the suspension will be in in-school suspension, out-of-school suspension, or a combination of the two. **Suspensions are determined on a case-by-case basis.**

**RE-ENGAGEMENT OF RETURNING STUDENTS (BP 7:190)**

As determined on a case-by-case basis, the building administrator will initiate and schedule a re-engagement conference and/or develop a re-engagement plan with students who are returning from an out of school suspension, expulsion, or an alternative school setting. The goal of re-engagement shall be to support the student’s ability to be successful in school following a period of expulsionary discipline and shall include the opportunity for students who have been suspended to complete or make up work for equivalent academic credit.

**PREVENTION OF AND RESPONSE TO BULLYING, INTIMIDATION, AND HARASSMENT (BP 7:180)**

Bullying, intimidation, and harassment diminish a student’s ability to learn and a school’s ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important District goals.

Bullying on the basis of actual or perceived race, color, national origin, military status, unfavorable discharge status from the military service, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic is prohibited in each of the following situations:

1. During any school-sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a non-school related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by a school district or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school. This item (4) applies only in cases in which a school administrator or teacher receives a report that bullying through this means has occurred and it does not require a district or school to staff or monitor any non-school-related activity, function, or program.

**DEFINITIONS FROM SECTION 27-23.7 OF THE SCHOOL CODE (105 ILCS 5/27-23.7)**

*Bullying* includes *cyber-bullying* and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing the student or students in reasonable fear of harm to the student’s or students’ person or property;
2. Causing a substantially detrimental effect on the student’s or students’ physical or mental health;
3. Substantially interfering with the student’s or students’ academic performance; or
4. Substantially interfering with the student’s or students’ ability to participate in or benefit from the services, activities, or privileges provided by a school.

Cyber-bullying means bullying through the use of technology or any electronic communication, including without limitation any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including without limitation electronic mail, Internet communications, instant messages, or facsimile communications. Cyber-bullying includes the creation of a webpage or weblog in which the creator assumes the identity of another person or the knowing impersonation of another person as the author of posted content or messages if the creation or impersonation creates any of the effects enumerated in the definition of bullying. Cyber-bullying also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons if the distribution or posting creates any of the effects enumerated in the definition of bullying.

Restorative practices means a continuum of school-based alternatives to exclusionary discipline, such as suspensions and expulsions, that: (i) are adapted to the particular needs of the school and community, (ii) contribute to maintaining school safety, (iii) protect the integrity of a positive and productive learning climate, (iv) teach students the personal and interpersonal skills they will need to be successful in school and society, (v) serve to build and restore relationships among students, families, schools, and communities, and (vi) reduce the likelihood of future disruption by balancing accountability with an understanding of students’ behavioral health needs in order to keep students in school.

School personnel means persons employed by, on contract with, or who volunteer in a school district, including without limitation school and school district administrators, teachers, school guidance counselors, school social workers, school counselors, school psychologists, school nurses, cafeteria workers, custodians, bus drivers, school resource officers, and security guards.

BULLYING PREVENTION AND RESPONSE PLAN (BP 7:180)
The Superintendent or designee shall develop and maintain a bullying prevention and response plan that advances the District’s goal of providing all students with a safe learning environment free of bullying and harassment. This plan must be consistent with the following requirements:

1. The District uses the definition of bullying as provided in this policy.
2. Bullying is contrary to State law and the policy of this District. 3. Students are encouraged to immediately report bullying. A report may be made orally or in writing to the District Complaint Manager or any staff member with whom the student is comfortable speaking. Anyone, including staff members and parents/guardians, who has information about actual or threatened bullying is encouraged to report it to the District Complaint Manager or any staff member. Anonymous reports are also accepted.

5. The Superintendent or designee shall promptly investigate and address reports of bullying, by, among other things:

6. The Superintendent or designee shall investigate whether a reported act of bullying is within the permissible scope of the District’s jurisdiction and shall require that the District provide the victim with information regarding services that are available within the District and community, such as counseling, support services, and other programs.

7. The Superintendent or designee shall use interventions to address bullying, which may include, but are not limited to, school social work services, restorative measures, social-emotional skill building, counseling, school psychological services, and community-based services.

8. A reprisal or retaliation against any person who reports an act of bullying is prohibited. A student’s act of reprisal or retaliation will be treated as bullying for purposes of determining any consequences or other appropriate remedial actions.

9. A student will not be punished for reporting bullying or supplying information, even if the District’s investigation concludes that no bullying occurred. However, knowingly making a false accusation or providing knowingly false information will be treated as bullying for purposes of determining any consequences or other appropriate remedial actions.

10. The District’s bullying prevention and response plan must be based on the engagement of a range of school stakeholders, including students and parents/guardians.

11. The Superintendent or designee shall post this policy on the District’s Internet website, if any, and include it in the student handbook, and, where applicable, post it where other policies, rules, and standards of conduct are currently posted. The policy must also be distributed annually to parents/guardians, students, and school personnel, including new employees when hired.

12. The Superintendent or designee shall assist the Board with its evaluation and assessment of this policy’s outcomes and effectiveness. This process shall include, without limitation:
   a. The frequency of victimization;
   b. Student, staff, and family observations of safety at a school;
   c. Identification of areas of a school where bullying occurs;
   d. The types of bullying utilized; and
   e. Bystander intervention or participation.

   The evaluation process may use relevant data and information that the District already collects for other purposes. The Superintendent or designee must post the information developed as a result of the policy evaluation on the District’s website, or if a website is not available, the information must be provided to school administrators, Board members, school personnel, parents/guardians, and students.

13. The Superintendent or designee shall fully implement the Board policies, including without limitation, the following:
   a. 2:260, Uniform Grievance Procedure. A student may use this policy to complain about bullying.
   b. 6:60, Curriculum Content. Bullying prevention and character instruction is provided in all grades in accordance with State law.
   c. 6:65, Student Social and Emotional Development. Student social and emotional development is incorporated into the District’s educational program as required by State law.
   d. 6:235, Access to Electronic Networks. This policy states that the use of the District’s electronic networks is limited to: (1) support of education and/or research, or (2) a legitimate business use.
e. **7:20, Harassment of Students Prohibited.** This policy prohibits any person from harassing, intimidating, or bullying a student based on an identified actual or perceived characteristic (the list of characteristics in 7:20 is the same as the list in this policy).

f. **7:185, Teen Dating Violence Prohibited.** This policy prohibits teen dating violence on school property, at school sponsored activities, and in vehicles used for school-provided transportation.

g. **7:190, Student Behavior.** This policy prohibits and provides consequences for hazing, bullying, or other aggressive behaviors, or urging other students to engage in such conduct.

h. **7:310, Restrictions on Publications.** This policy prohibits students from and provides consequences for: (1) accessing and/or distributing at school any written, printed, or electronic material, including material from the Internet, that will cause substantial disruption of the proper and orderly operation and discipline of the school or school activities, and (2) creating and/or distributing written, printed, or electronic material, including photographic material and blogs, that causes substantial disruption to school operations or interferes with the rights of other students or staff members.

SECTION 4: STUDENT ACTIVITIES, CLUBS, AND ATHLETICS

PHILOSOPHY & EXPECTATIONS

The Board of Education of District 204 encourages its students to broaden their skills, knowledge and citizenship by participating in school-sponsored clubs, councils, interscholastic and intramural athletics, theatrical productions, and other extra-curricular activities. Participating school-sponsored activities is a privilege extended to all students. We expect the behaviors of those to be at the highest order as you are representing the school and school district. A complete list of school activities and clubs is available on your school’s website. In order to participate in afternoon and evening extra-curricular activities, students must check in at the Main Office no later than 11:30 A.M. on the day of the activity. Special requests may be honored by contacting the administration prior to the absence. Students who leave school due to illness will not be allowed to participate in after school activities.

ELIGIBILITY FOR INTERSCHOLASTIC ACTIVITIES

In order to participate in such school activities each student must maintain a passing grade in all courses in which he/she is currently enrolled.

1. These guidelines apply to all interscholastic contests related activities.
2. Any student participating in one of these activities must maintain passing grades in all subjects.
3. The eligibility process will be coordinated and monitored by an administrator designated by the principal. Eligibility checks will be conducted at a minimum of every week. Teachers will indicate passing or failing grades based upon the grade the student is currently receiving.
   a. Step 1: Student will be on probation and have one week to bring up their grade(s) to passing.
   b. Step 2: Student will be allowed to practice but not compete. They will have one week to bring up their grade(s) to passing.
   c. Step 3: Student will not be allowed to practice or compete. They will have one week to bring up their grade(s) to passing.
   d. Step 4: Student may be removed from the team, club, or activity.
4. Individual cases of eligibility will be reviewed by the coach/sponsor, assistant principal, teacher(s) and principal or his designee.
5. Students who are excused from PE due to medical reasons are not eligible to participate in interscholastic or intramural sports.

PHYSICAL EXAMS/ATHLETIC PARTICIPATION

All 7th and 8th grade students desiring to participate in any of the athletic programs are required to have a physical examination within one year of intended participation. Please note, this physical report must be on file before a student may try out or practice for any sport. Physical Exams are only valid for 13 months from the date of the actual examination. NOTE: Participation in the intramural program does not require a physical exam.

CONCUSSION MANAGEMENT GUIDELINES (BP 7:305)

All students participating in interscholastic programs must complete a Concussion Information Sheet (https://www.ihsa.org/documents/sportsMedicine/current/Sports%20Medicine%20Consent%20and%20Acknowledgement.pdf). This document must be signed by both the athlete and legal guardian before participation will be allowed.

With regard to student athlete concussions and head injuries, the District complies with the protocols, policies, and bylaws of the Illinois High School Association. Specifically, the District will follow the “IHSA Protocol for Implementation of NFHS Sports Playing Rule for Concussions”, and/or any update thereof, and the District will implement the IHSA “Return to Play Policy”, and/or any update thereof.
SCHOOL SPONSORED EVENTS
Spectators are expected to act and behave in a courteous and considerate manner at all times. All regular school rules apply. Students choosing to behave inappropriately at such events could face possible consequences, including but not limited to not being allowed to attend future events. Students are expected to arrange for a ride home at the conclusion of the event. Parents: We ask that you cooperate in picking up your child no later than 15 minutes after the event. Students continuing to remain at school for an unreasonable amount of time after a school-sponsored event are at risk of not being able to attend future events.

1. Students should remain in the school building in the designated areas at all times. Students should refrain from leaving the event until the end of a period/halftime or game.
2. Students must demonstrate proper respect for all adult supervisors.
3. Students must demonstrate proper respect for the property of the school and others.
4. Students must observe necessary safety rules at all times.

Additionally, administration may consider restricting the privilege of participation based on behavioral consequences occurring at school on the day of an activity.

High School Athletic Events
Throughout the school year, many of our middle school students want to attend athletic events at Waubonsie Valley, Neuqua Valley or Metea Valley High School. Collectively, middle school and high school administrators want to ensure that the behavior of the middle school students at high school athletic events is both safe and positive.

1. It is strongly suggested that parents supervise their children while at an athletic event. High school athletic events, especially football and basketball, tend to draw a large crowd.
2. Middle school students who are not accompanied by an adult must sit in an assigned area for supervision purposes.
3. All middle school students must show their school ID when they are paying to enter the game.
4. Remember that all school rules apply while students are in attendance at high school athletic events. Failure to comply with these rules may result in consequences. Following these guidelines will ensure that your child has a safe and enjoyable evening at the high school athletic events.

Off-Campus Trips
Remember that all school rules apply while students are attending off campus trips. Failure to comply with these rules may result in consequences. Although these trips are a planned part of our core curriculum, a student may be excluded from a trip at the discretion of the administration. An appropriate, alternative instructional activity will be arranged at school for students who do not go on off-campus trips. Parents will be notified in advance of the day of the trip of such an action and the reasons for it. Students will not be excluded due to financial need. Scholarships are provided to students as appropriate. Parents should contact the grade level counselor for further details.

UNIFORMS
When a uniform is assigned to a student, he/she becomes financially liable to return that same uniform to the coach/sponsor at the end of the season. If a missing uniform is later found, the replacement fee will be refunded.

SECTION 5: 1:1 TECHNOLOGY HANDBOOK (BP 6:235)
OVERVIEW
As part of the District’s digital transformation and 1:1 Initiative, the Indian Prairie School District #204 will be providing each middle school student a Google Chromebook for use both at school and at home to support their learning. All middle school students/parents/guardians will have an opportunity to participate in a 1:1 orientation session. For students, these sessions will take place during the school day. Parent sessions will take place during curriculum nights. Additional parent opportunities will be planned throughout the school year. All students/parents/guardians are required to review and sign the IPSD 1:1 Student/Parent Agreement as a condition of receiving a Chromebook.

All students must comply with existing board of education policies, including but not limited to 6:235 – Authorization for Access to Electronic Networks, and 7:190 – Student Behavior. All of these policies can be found on the district website at [http://board.ipsd.org/Pages/Policies.aspx](http://board.ipsd.org/Pages/Policies.aspx). In addition, all applicable guidelines and handbook language apply, including Acceptable Use Guidelines for Electronic Networks, which is available at [http://www.ipsd.org/Uploads/news_51329_1.pdf](http://www.ipsd.org/Uploads/news_51329_1.pdf).

Our expectation and belief is that students will responsibly use district technology and that they understand the appropriate and acceptable use of both the technology and district networks. We also expect that students will keep their district-issued devices safe, secure and in good working order. Because the borrowed device is the property of the school district, it is subject to monitoring of use and search of contents at any time. Per Board Policy 6:235, there is no expectation of privacy in use or data stored on the district-owned device.
RECEIVING DEVICES
Students along with parents/guardians, will be required to sign the IPSD 1:1 Student/Parent Agreement before a student can be issued a Chromebook.
All students new to the district following the initial device distribution phase will also be required to have a signed IPSD 1:1 Student/Parent Agreement on file. Orientation will be available for these students and parents/guardians once a device has been assigned to the student.
Each school will determine a schedule and method for Chromebook distribution. This schedule will be communicated by the school.

RETURNING DEVICES
Students will turn in their Chromebooks at the end of each school year, when they transfer to another building in the district, or transfer out of the district. Students must also return devices immediately upon request of school officials if warranted by a disciplinary situation or investigation. Students who withdraw from IPSD #204 School District must turn in their Chromebook and its accompanying materials on their last day of attendance. Failure to turn in the Chromebook will result in the student being charged a replacement cost. Students who refuse to voluntarily turn in their Chromebook or fail to pay the full replacement cost will also be responsible for the payment of all costs, including but not limited to attorney’s fees, incurred by the district to recover the Chromebook or any owed fees.

REPAIR AND/OR REPLACEMENT COSTS
Loss, theft, or damage of a device must be reported to school officials as soon as feasible. School administrators and Technology staff will assess the situation and confirm costs to be assessed to the student/parent.

ADMINISTRATOR-INITIATED RESTRICTIONS
Noncompliance with the expectations of the IPSD #204 Student/Parent Handbook or violation of the District Technology Policies as outlined in the overview section of this document can result in the loss of privilege to use, or restricted access to, district-provided technology as a consequence for misuse or a safety measure with a particular student. If this is the case, a school administrator has the authority to make arrangements that may deny or restrict access to the resource in question. The use of technology is a privilege that will only be afforded to students who abide by the District’s Acceptable Use policy. Other disciplinary actions defined in Board Policy may be applicable.

STUDENTS WITH DISABILITIES
IPSD #204 School District is committed that all students will have the tools needed to access the curriculum. The device that students with disabilities use will be determined individually by their individualized education program (IEP) or other appropriate plan. For some students this may be a Chromebook, and for others it may be a specialized device that allows for access and meets the unique needs of the student. Devices will not be exchanged and replaced without consideration given to each individual situation. In the case where a Chromebook is not the appropriate electronic device, another type of device will be considered to assist the student in accessing the curriculum.

USE OF CAMERAS & MICROPHONES
Use of the Chromebook to record images, video or audio in the classroom is permitted only when approved by the classroom teacher.
- All electronic recordings created with the device must comply with district policies and state and federal laws.
- Due to privacy requirements, any recorded content must not be shared beyond the classroom unless approved by participants and the teacher.

RECORDING EQUIPMENT
The Chromebook comes equipped with audio and video recording capabilities through a built-in microphone and front-facing camera.

USE OF RECORDING EQUIPMENT
Use of electronic recording devices is prohibited if it compromises the privacy interests of individuals, or involves harassment and bullying. Use of the Chromebook in a manner that violates district policy may result in revocation of the device and further disciplinary consequence.
Use of the Chromebook and other devices with audio and video recording capabilities during instructional time is at the discretion of the teacher. The student must obtain prior approval to use the device for such purposes. Any electronic recordings obtained with the recording device are only for instructional/educational purposes and individual use.
Therefore, electronic recordings obtained with the Chromebook may not be shared, published, or rebroadcasted for any reason by the student without permission. Furthermore, users of the Chromebook should be aware that state and federal laws in many instances prohibit secret or surreptitious recordings undertaken without the knowledge and
consent of the person or persons being recorded. Violations of state and federal recording laws can be reported to the proper authorities.

**CHROMEBOOK CARE**
Students will need to carefully transport their fully charged Chromebook to school every day. Chromebooks may be transported in student-provided backpacks or cases. Careful placement in a backpack is important. Never throw or drop a backpack or bag that contains a Chromebook. Never place a Chromebook in a backpack or bag that contains food, liquids, heavy, or sharp objects. While the Chromebook is scratch resistant, it is not scratch proof. Avoid using sharp objects on the Chromebook. The Chromebook screen is glass and is vulnerable to cracking. Never place heavy objects on top of the Chromebook and avoid dropping your Chromebook.

**CHROMEBOOK BATTERY**
Students will be expected to charge their Chromebook each night in preparation for school. It is the student’s responsibility to charge the Chromebook at home and ensure it is ready for use in school each day. Failure to do so may result in the student’s inability to participate in classroom learning activities. Classrooms will have limited means to support charging during class time.

**CLEANING THE CHROMEBOOK**
Avoid exposing the Chromebook to moisture or liquids. Avoid applying liquids to the Chromebook surface. The Chromebook should be cleaned with a soft cloth. If necessary, slightly dampen the cloth. Avoid getting moisture in the openings. Do not use window cleaners, household cleaners, aerosol sprays, solvents, alcohol, ammonia, or abrasives to clean the Chromebook. Use of unapproved cleaners may remove the protective film covering the screen of the Chromebook.

**KEEPING THE CHROMEBOOK SECURE**
- Never leave a Chromebook unattended.
- When not in your personal possession, the Chromebook should be in a secure, locked environment.
- Chromebooks are configured for individual use, utilizing an IPSD Google Apps for Education account. Personal account use is not feasible or allowed.
- Student passwords are the same as their IPSD computer login password, which helps to secure personal information and files. Students are responsible for remembering their passwords. Unless requested by the teacher or District personnel, students should not share their password with others.

**IDENTIFYING CHROMEBOOKS**
Each Chromebook has a unique identification number and at no time should identifying labels be modified or removed. There will be an approved means for students to identify their Chromebook. Students may not decorate and individualize devices with stickers or other items. Students will be fined for modifications, damage or personalization.

**LOST/STOLEN/DAMAGED CHROMEBOOKS**
If a student 1:1 device is damaged, lost, or stolen, the student will be charged a fine to cover the actual repair or replacement costs for school-issued materials.

**TROUBLESHOOT/DIAGNOSE/REPAIR**
Make sure that only school district personnel troubleshoot, diagnose, or repair your borrowed device. Do not allow third party service people to handle your assigned Chromebook. This will void the warranty and you will be responsible for all damage associated with the device. Any attempt to alter the current configuration either physically or mechanically is strictly prohibited.

**HOME NETWORK/WIRELESS USAGE**
- IPSD #204 Chromebooks are designed to work as a single, independent workstation in a home wireless network that allows for such.
- IPSD #204 Chromebooks will connect to home wireless networks if the wireless network is open or only requires a network key, or passcode, to connect.
- Do not attempt to reconfigure any device settings or operating system defaults, even if your home network calls for it.
- Many public destinations now offer free public Wi-Fi to its patrons that can provide your device Internet access away from school.
- IPSD #204 devices cannot be used with Wi-Fi networks that require installation of networking software, reconfiguration of security settings, or manually assigning an IP address.
• Chromebooks do not have Ethernet ports, so by default, a wired home network cannot be used. If a wireless network is not available, a USB/Ethernet adapter can be purchased to facilitate network access at home.

CONTENT FILTERING
The district has the authority to monitor the online activities of minors and operate a technology protection measure ("content filter") on the network and all district technology with Internet access. The content filter will be used to protect against access to visual depictions that are obscene or harmful to minors or are child pornography. Content filters are not foolproof, and the district cannot guarantee that users will never be able to access offensive materials using district equipment. Evading or disabling, or attempting to evade or disable, a content filter installed by the district is prohibited. More information can be found in the Acceptable Use Guidelines for Electronic Networks document which is available at [http://www.ipsd.org/Uploads/news_51329_1.pdf](http://www.ipsd.org/Uploads/news_51329_1.pdf).

Through the District’s student-issued Google Apps for Education account, the district’s content filter will filter content on student Chromebooks even when they are off the district’s network and connected to the Internet. Because of the nature of the Internet, no content filter is foolproof. Although the content filter will provide a degree of protection to the user and the device, the user assumes responsibility for accessing content that is not school-related, whether blocked by the filter at that particular time or not. Disciplinary consequences in accordance with Board policy may occur for attempting to access unauthorized or inappropriate Internet sites.

Attempts to disable, reconfigure, or circumvent the content filter is a violation of the Acceptable Use Policy and aforementioned device usage practices as defined above and can result in disciplinary action.
